**Re.: *Subway Developments 2000 Inc. v. Subway Franchise Systems of Canada, ULC*,
Case No. 24-cv-6065 (AS)**

Dear Judge Subramanian:

We represent Petitioner Subway Developments 2000 Inc. (“Developments”) in the above-captioned case and submit this letter-motion to request an extension of the deadline for Developments to file a Response in Opposition to Respondent Subway Franchise Systems of Canada, ULC’s (“Subway”) Motion to Dismiss Development’s Petition to Confirm, and Reply in Support of Development’s Petition to Confirm.

On August 15, 2024, the Court entered an Order stating that Subway’s response to Developments’ Petition to Confirm was due on October 2, 2024 and Developments’ reply was due on October 11, 2024. (ECF No. 9). Subway then requested an extension of time to file its response (ECF No.19) which the Court granted, extending the deadline for Subway’s response to Developments’ Petition to Confirm to October 14, and Developments’ Reply to October 25. (ECF No. 20).

On October 14 and 15, Subway filed a Motion to Dismiss Developments’ Petition to Confirm. (ECF No. 21-23). The current deadline for Developments to file a reply remains October 25, 2024. However, in light of Subway’s submission of a Motion to Dismiss, the parties conferred and agreed to apply Local Rule 6.1(b), providing Developments with 14 days to file an opposition to the motion and Subway seven days to file a reply in support.

We therefore respectfully request that the Court enter an Order granting Developments an extension to October 29, 2024—14 days after October 15—to file its combined Opposition to Subway’s Motion to Dismiss and Reply in Support of the Petition to Confirm. Subway would then have seven days—until November 5, 2024—to submit its Reply to Development’s Opposition to the Motion to Dismiss. As noted, the parties have conferred and Subway agrees with the proposed new deadlines.

Respectfully yours,

/s/ Daniel. E. González
